

Varicosity Vein Center Website Unveiled

Varicosity Vein Center's website, unveiled at their Birmingham office, is now live on <http://www.varicosityveincenter.com>

May 15, 2009: Varicosity Vein Center announces the online presentation of its website. The scale of the design can be viewed along with extensive educational content and videos regarding our centers and staff as well as an interview with Medical Director, Dr. C. Duane Randleman, Jr.

The site is devoted to educating patients about the signs and symptoms of venous disorders and the minimally invasive treatment methods available. Varicosity believes that patient education is essential in the important decision making process of finding a qualified vein specialist.

Dr. Randleman Jr. stated, "Varicosity Vein Center's goal is simple - to provide high-quality, personalized health care with proven results."

About Varicosity Vein Center

Varicosity Vein Center offers patients purpose-driven, personalized vein treatment utilizing proven medical techniques and advanced technology. Our board-certified cardiovascular surgeons have over six decades combined experience addressing all vascular needs; they recognize vein procedures require the same precision and determination as open heart surgery. Please call or visit one of our centers today to experience the Varicosity Difference.
